### Questions Prompted by Market Survey – Amendment 2

12. Has the source of funding been identified and committed or simply identified?

Ans: At this stage, the market survey stage, committed funding is not necessary. When if a SIR is publicized, it will have committed funding, or will clearly state that funding has not been committed to the procurement.

13. Will the government allow us to use past performance of a teaming partner for Section 1 and if not then will the government consider a past performance of \$750K or greater to be of like size?

Ans: Yes, you can submit the past performance of a teaming partner to satisfy the requirement in Section 1 of the market survey. Please note that the prime must complete at least 50% of the work.
